MARKET INTERPRETATION

The real estate market in **Kirkland (North East)** is currently in a **buyer's market with a moderate buyer advantage**, based on current supply levels relative to sales activity. With approximately **6.8 months of inventory** and an average selling time of **92.9 days**, buyers benefit from greater choice and negotiating flexibility, while sellers face increased competition for qualified purchasers. During the 12-month period ending August 31, 2026, a total of **35 homes sold**, while the median sale price reached **\$1,220,000**, representing a **9.9% increase** compared to the preceding 12-month period. Although current market conditions **favour buyers**, accurate pricing and effective property presentation remain important factors in attracting qualified purchasers and achieving optimal results.
