MARKET INTERPRETATION

The real estate market in Pointe-Claire (Central East) is currently in a balanced market with a slight seller advantage, based on current supply levels relative to sales activity. With approximately 4.6 months of inventory and an average selling time of 58 days, well-priced properties continue to attract buyer interest, while sellers generally benefit from favourable market conditions. During the 12-month period ending May 31, 2026, a total of 100 homes sold, while the median sale price reached \$707,000, representing a 0.4% decrease compared to the preceding 12-month period. Although market conditions currently favour sellers slightly, accurate pricing and effective property presentation remain important factors in attracting qualified purchasers and achieving optimal results.
