MARKET INTERPRETATION

The real estate market in Dollard-des-Ormeaux (East) is currently in a balanced market, with a slight advantage for sellers based on current supply levels relative to sales activity. With approximately 4.0 months of inventory and an average selling time of 44 days, homes that are competitively priced continue to attract steady interest and generally sell within typical market timeframes. Over the past year, the median sale price increased from \$669,000 to \$691,000, representing a 3.29% year-over-year increase. Accurate pricing and proper presentation remain important factors in achieving optimal results.
