MARKET INTERPRETATION

The real estate market in **Pointe-Claire (Central West)** is currently in a **balanced market with a slight seller advantage**, based on current supply levels relative to sales activity. With approximately **4.4 months of inventory** and an average selling time of **54.5 days**, sellers benefit from somewhat favourable market conditions, while buyers continue to have a reasonable selection of available properties. During the **12-month period ending August 31, 2026**, **37 homes sold**, while the median sale price reached **\$751,000**, representing a **0.1% increase** compared to the preceding 12-month period. Although current market conditions **slightly favour sellers**, accurate pricing and effective property presentation remain important factors in attracting qualified purchasers and achieving optimal results.
