MARKET INTERPRETATION

The real estate market in Dorval (South West) is currently in a balanced market with a slight seller advantage, based on current supply levels relative to sales activity. With approximately 4.4 months of inventory and an average selling time of 58 days, market conditions remain relatively balanced, though sellers retain a modest negotiating advantage. During the 12-month period ending May 31, 2026, a total of 71 homes sold, while the median sale price reached \$750,000, representing a 1.7% increase compared to the preceding 12-month period. Although current market conditions slightly favour sellers, accurate pricing and effective property presentation remain important factors in attracting qualified purchasers and achieving optimal results.
